Dear Parents:

Re: **Kinosoo Ski Trip** Field Trip Alternative Transportation

Parents making alternate travel arrangements for their child attending this school sanctioned event

It is our purpose to make the trip enjoyable, educational and safe for all students. Therefore, if you, the parent(s), choose(s) to transport your child(ren) to and from the field trip or assign the transporting to another parent and the school is providing transportation to this off-site activity, we require the following from you:

1. Sign the permission form and the risk assessment form even if your child is traveling with you or another parent. In this way, your child will be accountable to his/her teachers for his/her behavior as he/she are considered part of the school trip.
2. Sign a form (**on the backside**) stating:
 - a. that the student was offered school bus transportation and that he/she declined it;
 - b. that the parent accepts responsibility for the student's transportation; and,
 - c. that the parent does not or will not hold the School Board liable for any accident or injury that may occur during the transportation to/from the off-site activity.
 - d. that the student will not transport any other student whom he is not authorized, in writing by such student's parent, to transport;
 - e. that the parent accepts that School Board's Student Accident insurance does not apply during the transportation portions of the trip, and the student is only covered from when he/she arrives at the school sponsored off-site activity, until he/she leaves the off-site activity.
