

H.E Bourgoin Middle School

Bears Facts

Newsletter Dec 16th-20th

H.E.Bourgoin Mission Statement:

We develop confident learners who are caring community members through respect, opportunity, kindness and safety.

HEB ROKS

Enhanced Programming Opportunities

Students in grades 5–8 have the opportunity to participate in our HEB Christmas Concert musical, The Nutcracker. Students and staff have been preparing for this performance which is on Tuesday, December 17th at 6:30 pm.

Quality Teaching– Numeracy

Students working with their peers and with staff helps to support deeper understanding of math concepts!

All Grade 7 staff and students got together and played Dutch Blitz card game on a no bus day this week!

Thank You

We want to thank everyone who took part in our Feedback Week. Many parents and students were randomly selected to answer questions to help us improve HEB. We've been provided with a verbal report. There are things we are excited about improving in Mathematics. In terms of Climate and Culture, we received a lot of assurances and are looking forward to continuing on the path of making HEB a place where everyone feels supported and welcomed! We look forward to reporting all of the findings at the next School Council meeting. Please join us on January 23rd at 6:00 pm in the Learning Commons! We can't wait to share the news with

Supports & Services

H.E. BOURGOIN SCHOOL (BONNYVILLE)

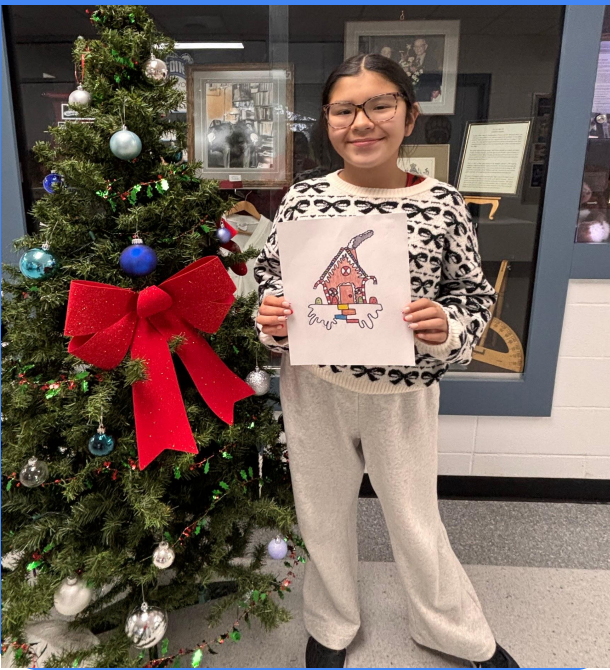

At H.E. Bourgoin School student leaders are highly engaged in school governance and wellness decisions. Each month, student leaders meet with the principal to discuss various school matters, from event planning to well-being initiatives. At one Principal's Council meeting, an APPLE School Health Mentor was invited to join in as the student leaders and the principal discussed ideas for healthier canteen options and explored resources to improve nutrition within the school community. These ongoing discussions underscore the school's commitment to fostering a healthy and vibrant environment, driven by the ideas and leadership of its students.
